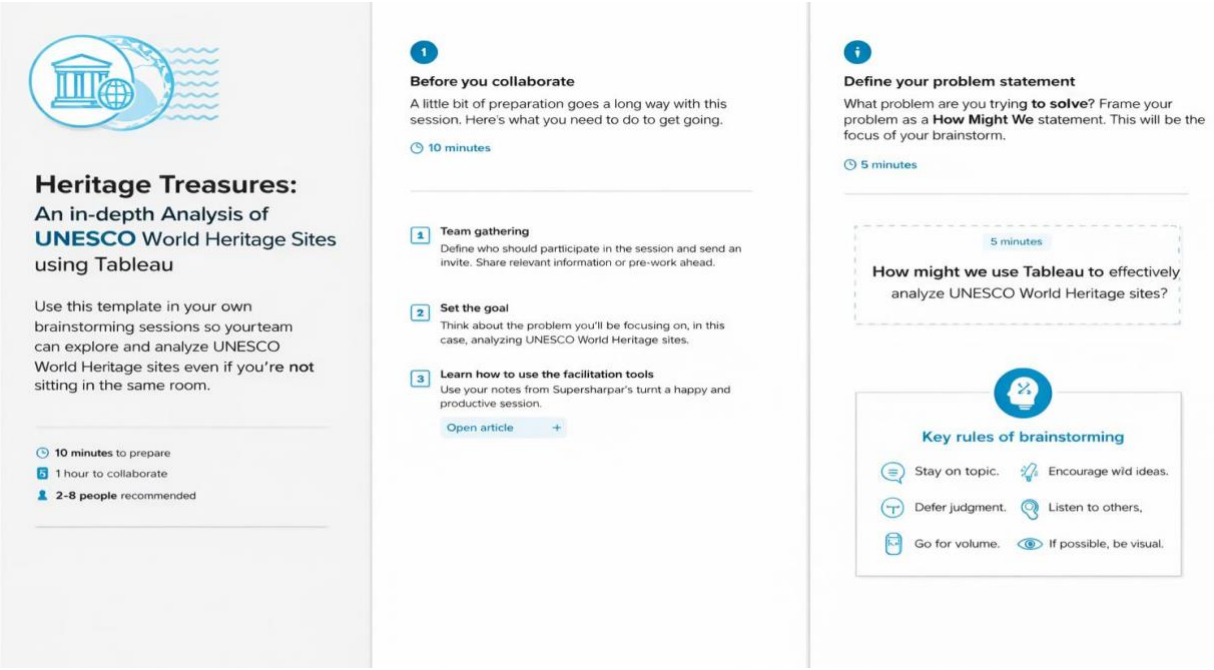
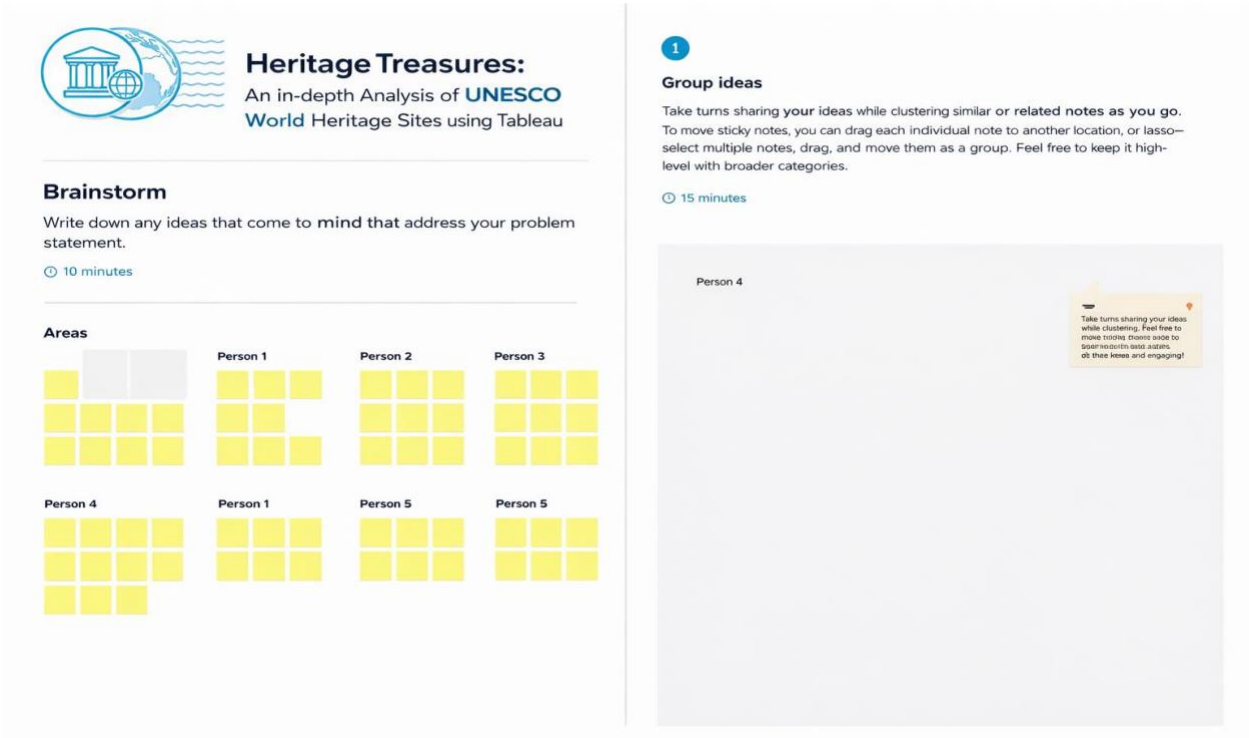
Brainstorm & Idea Prioritization Template :

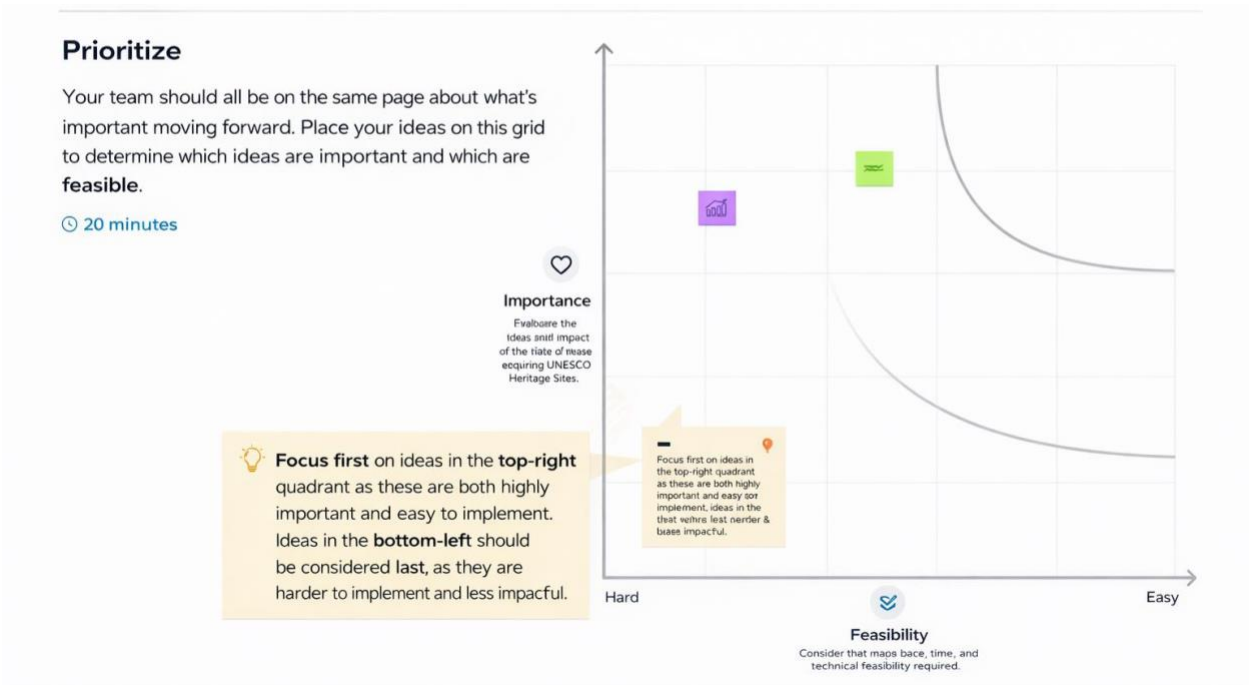
The Brainstorm & Idea Prioritization Template is a structured framework that helps teams generate, organize, and evaluate ideas effectively. It guides members to brainstorm visualization concepts, analytical approaches, and key insights, then prioritize them using an Importance vs. Feasibility matrix. This approach ensures the team focuses on high-impact, practical solutions that deliver meaningful and actionable results.

Step-1 : Team gathering , collaboration and select the problem statement



Step-2 : Brainstorm , idea listing and grouping





Step-3 : Idea Prioritization
